Ages: crawling-2

This class is led by an instructor, but each child is assisted by a parent/ guardian. Join other families as we develop balance, coordination, fine and gross motor skills and socialization.

Mini Movers

Ages: 2-3

Mini Movers run, jump, roll, and climb. Children learn to follow simple instructions and control their bodies as they explore our safe and fun surroundings.

Teddy Tumblers

Ages: 2.5-3.5

Children will be exposed to different gymnastics stations and will be encouraged to explore them at their own pace while following simple instructions. Balance, coordination, and body control are emphasized in this offering.

Preschool

Ages: 3-5

Participants will practice basic gymnastics skills as they navigate through a variety of stretches, warm up activities, and circuits. This class makes exercise fun and helps children prepare for a school environment.

Kindergarten

Ages: 4-6

All participants must be enrolled in 4K or 5K. Kindergartners continue to progress through the sport of gymnastics doing rolls, cartwheels, handstands, and swinging on bars to prepare them for transition to our progressive program.

Gymnastics 1

Ages: 6+

Little or no gymnastics experience is required. Athletes work on basic gymnastics skills. It generally takes more than one session to progress to Gymnastics 2.

Gymnastics 2

Ages: 7+

Prior gymnastics experience and instructor recommendation is required. Participants will need to know how to perform basic skills for each event. It generally takes more than one session to progress to the next level. Athletes must complete a skill evaluation to progress.

Ages: 7+

A gymnast must have a recommendation from an instructor, or a required skill test to participate in this class. This advanced gymnastics class will continue to build on gymnastics skills already learned, and introduce more advanced skills on each of the events.
