## WELCOME TO YMCA DAY CAMP

At YMCA of Metropolitan Milwaukee Summer Day Camps we pride ourselves with creating a warm and inclusive environment geared towards personal development and relationship building. Our Summer Day Camps are here to serve as an extension of family and school throughout the summer months.

The YMCA's four core values of honesty, caring, respect, and responsibility are woven throughout our Day Camps' inclusive and welcoming culture. With this foundation in place, we intentionally integrate character development more deeply into all interactions with our youth to promote social emotional learning.

Our committed staff are dedicated in ensuring that all of our campers are safe, accepted, and respected for who they are. Over the course of the summer, our campers will grow socially and emotionally building skills through empathy, relationship building, emotion management, responsibility, and personal development, all while having FUN! Ultimately, after a summer at YMCA Day Camp children's self-esteem will rise and they will be better prepared to return school with confidence.

## TRADITIONAL DAY CAMP AGES 7-12

Join YMCA day camp for one week or for an entire summer of fun! We focus on caring, honesty, respect, and responsibility in all of our activities, from educational camper-chosen skill sessions to swimming, arts and crafts and games.

We provide fun-filled activities that allow for physical involvement, social interaction, educational opportunities, leadership building, personal growth and creativity. Day campers will be divided into groups by age with activities appropriate to the interests and needs of each group.

## SCHOOL READINESS TRADITIONAL DAY CAMP AGES 4-6

A child's readiness for school is multi-faceted, encompassing the whole range of physical, social, emotional, language and cognitive skills that children need to thrive.

In the morning your camper will enjoy four structured cognitive lessons that resemble the rules and culture of school along with four "brain breaks." The afternoon will focus on social and emotional skill building in the camp environment. Campers will be divided into groups by age with activities appropriate to the interests and needs.

## A TYPICAL WEEK OF CAMP INCLUDES

- Camper's choice and play during early morning and late afternoon hours.
- Skill building related to STEM, arts and humanities, and outdoor recreation.
- Start and end a camp day with a group assembly filled with song, dance, and recognition to celebrate the spirit of camp.
- Character development with a focus on our core values: Honesty, Caring, Respect, and Responsibility.
- A variety of offsite field trips or onsite special activities and guest speakers (vary per week, per camp site).

# JR. SPECIALTY CAMPS AGES 5-6

## LOCATION

Rite-Hite Family YMCA

Jr. Specialty Camps are geared for younger campers so they can experience fun and creative activities with their peers.

Campers spend at least three hours per day, four days per week, focusing on their Specialty Camp and the rest of the day enjoying Traditional Day Camp activities like swimming, arts & crafts, games, and songs.

### CREATIVE CAMPERS

Painting, drawing, cutting, gluing, and creating is what this camp is all about! Campers will discover different materials and techniques while making amazing art.

### JR. LEGO MANIA

Everything is awesome, everything is cool when you're part of a team -- and the creations are limitless when you have Legos! Campers learn about forces and motion as they build and play together throughout the week.

### JR. CHEFS

Calling all future chefs! Campers measure, pour, and stir their way into the culinary world by creating new dishes and recipes that they can bring home.

### JR. SUPERHEROES

Does your camper have unexplained superhuman strength? Have they run from one end of the world to the other in just seconds? Are they still trying to find their unique power? No matter what level they are at in hero training, campers join Jr. Superhero camp to explore what it means to be a hero through crafts, play, and conversations with real life community heroes.

### LIL' EXPLORERS

Traveling around the world seems like the perfect way to spend a week in the summer. Campers will be doing just that as we "leave" our camp site each day and travel the world on our supersonic jet. Campers will see a different country each day, taste a new food, create an art project, and learn how to say "hello" and "goodbye" in a different language. Hurry up -- the plane is departing!

### LIL' SCIENTISTS

Predict, hypothesize, experiment, and conclude. These lil' scientists will learn all the basics to start exploring the world of science through play, observation, and direction. Each camper will get the chance to understand the materials and equipment needed to guide their curious minds.

### LOST IN SPACE

Blast off to fun and adventure in space! Explore the planets, stars, and go to infinity and beyond.

### STUFFED PET VET

In a world where our favorite stuffed animals are getting injured or hurt, we need campers to help heal them. Campers will learn basic first aid skills, run a unique animal hospital, and most importantly save their best friends! Don't forget to bring a stuffed animal to camp.

### STORYTIME

Campers have tons of fun out in the sun reading books to everyone. Unleash your camper's imagination while they make their own creations. If they love to rhyme, they'll have a great time!
